

The Montana Homes Advantage Bridal Registry

Many details go along with planning your dream wedding. The wedding party, the décor, the location and of course, the dress! As you plan for the perfect wedding, your dream wedding, do you also plan for the perfect place to start your new life together, your dream home?

Most couples today have already acquired household items or they are merging two households into one. Instead of registering for items that you may not need, register for what you really need.

A down payment for your dream home and we can help!

Many newly engaged couples struggle to save for the down payment for their first home together.

At Montana Homes, we want to help couples on the path to owning their own home.

The Montana Homes Advantage Bridal Registry is not your “traditional” bridal registry. Our registry allows your family and friends to contribute to making your dream of owning your own home a reality.

How It Works

- Couples register with The Montana Homes Advantage Bridal Registry and get pre-approved for a mortgage from Wendy with The Mortgage Group.
- Friends and family can either contribute by mail, in person or over the phone to The Montana Homes Advantage Bridal Registry referencing your registration number.
- All funds are held in a Montana Homes trust account with the National Bank of Canada until transferred to the down payment on the purchase of your new home.
- The collection of the down payment is to be applied towards the purchase of a new Montana home or a home in a suitable price range from Mercina Kokkas &/or Rebecca McLean at CENTURY 21 Conexus Realty Ltd.
- Montana Homes will also contribute 10% of accumulated down payment if a new Montana home is purchased. (up to \$ 4,000)
- Montana Homes will provide wedding invite inserts to show your guests where you are registered and a gift receipt to your guests when a contribution is made to enclose in their card to you.
